Our obligations to the Society:

- No child labour
- Pollution free environment
- Environment friendly packaging

A detailed black and white illustration of various tools arranged on a wooden surface. The tools include three open-end wrenches of different sizes, a pair of pliers, a hammer, a hand saw, and a pair of locking pliers. The illustration is rendered in a fine-lined, etched style, showing the texture of the wood and the metallic surfaces of the tools. The tools are scattered across the frame, with some overlapping, creating a sense of a well-used workshop.
